EDUCATION

SSC - 88 pr, HSC - 92 pr, Dream International School - Dhoraji   July 2018 - May 2021

B.E in Information Technology, Government Engineering College - Bhavnagar   2021 - 2025

EXPERIENCE

Odoo   January 2025 – June 2025

Software Developer Intern

- Working as a developer, responsible for designing, developing, and customizing Odoo modules to meet business requirements. Integrated third-party applications to enhance functionality and streamline workflows. Optimized database queries to improve system performance and scalability.

PROJECTS

LMS   [[GitHub]](#)

- A full-featured Learning Management System where instructors can create and manage courses with video content, while students can enroll, track progress, and access course materials. Includes secure authentication, media uploads, and payment integration.
- **Technologies:** React.js, Node.js, Express.js, MongoDB, Stripe, Clerk (Auth), Cloudinary, Multer.

MovieShelf   [[GitHub, Live Link]](#)

- MovieShelf is an online platform for movie enthusiasts to curate personalized lists of their favorite films. With access to IMDb's extensive database, users can explore and discover new movies based on their interests. Organize your collection by genre, type, or theme for easy navigation.
- **Technologies:** React, MongoDB, NodeJS, ExpressJs.

StreamVault   [[GitHub]](#)

- Built a dynamic video and image sharing platform where users can upload content via Cloudinary and view uploads by all other users in real-time.
- Integrated secure user authentication using JWT, and implemented media management with upload previews and responsive video listing.
- **Technologies:** React.js, Node.js, Express, MongoDB, Cloudinary, Tailwind CSS.

Text Editor   [[GitHub, Live Link]](#)

- Description: Designed a web application with React to assist users in editing text, including features like converting case, removing extra spaces, and counting lines and words.
- **Technologies:** React, JavaScript

TECHNICAL SKILLS

Languages: Java, C, SQL (Postgres), Python, JavaScript, HTML/CSS
Frameworks: React, Node.js, Express
Developer Tools: Git, GitHub, Visual Studio, Postman
Databases: MongoDB, Redis

EXTRA-CURRICULAR ACTIVITIES

- Actively engage in continuous learning of new technologies and problem-solving challenges on platforms like [LeetCode](#).
